

AP Multiple-Choice Rescore Service Form

For a fee of **\$30 per exam**, you may request to have your multiple-choice answer sheet rescored by hand. The resulting score is compared with the originally reported score. In the event of a difference, the new score will prevail, and all score recipients will be notified. You will receive a letter confirming the results of the rescore six to eight weeks after your request is received.

IMPORTANT NOTIFICATIONS

- AP® scores of 1–5 represent the composite score of the two exam sections. Raw scores for the individual multiple-choice or free-response sections are not available. The free-response section is not rescored.
- Multiple-choice rescoring may result in higher or lower scores than first reported. Results are **final** and will automatically be rereported to all designated score recipients.
- You cannot appeal or reorder a multiple-choice rescore.
